The Honorable Edward P. Mansure
Administrator
General Services Administration
Washington 25, D. C.

Dear Mr. Mansure:

Mr. Dulles has asked me to reply to your letter of April 12, 1955 concerning the activation of emergency relocation sites.

This will serve to inform you that this Agency will not require the leasing or other acquisition of space in connection with the test commencing May 1, 1955, in view of the fact that it owns and operates its own emergency relocation site.

Sincerely,

151

L. K. WHITE
